

The Lifelong Learning Programme for Guidance Counsellors

You are a career counsellor, a guidance practitioner, school counsellor or simply involved in the field of information, educational counselling and / or job orientation and wish to

- exchange experiences with colleagues in Europe and get to know their institutions?
- attend conferences or courses focusing on guidance aspects in Europe?
- put a project into practice with European partner institutions?

By means of Grundtvig (Adult Education), Leonardo da Vinci (Vocational Education and Training), Comenius (School Education) and the study visits, the Lifelong Learning Programme offers guidance counsellors numerous opportunities to become mobile and to experience the European dimension of their field of occupation.

The programme is open for nationals and permanent citizens of the following countries: the 27 member countries of the EU, Iceland, Liechtenstein, Norway, Turkey, Croatia, and Switzerland.

▪ Exchange with Colleagues in Europe

Study Visits

Short-term visits (3-5 days) for exchange and cooperation of (vocational) education experts and decision-makers as well as social partners at European level

Contact & further information: <http://studyvisits.cedefop.europa.eu>

Leonardo da Vinci – Mobility

Placements (1-6 weeks) of experts in vocational education and training and further education for an exchange of knowledge and networking

Grundtvig – Visits & Exchange

Practical teaching, coaching, counselling or management activities (1 day to 12 weeks) at a host adult education institution by a person working in formal/informal adult education

Grundtvig – Assistance

Longer-term practical teaching, coaching, counselling or management activities (12-45 weeks) at a host adult education institution by a person actually working in adult education or willing to work in adult education in the near future

▪ Participation in Subject-Specific Conferences & Further Education

Grundtvig – Visits & Exchange

Participation in subject-specific conferences (1–4 days)

Comenius & Grundtvig – Further Education

Participation in courses and further education to improve one's practical skills in teaching, coaching, counselling or management

Further information: <http://ec.europa.eu/education/trainingdatabase/>

Erasmus – Further Education

Further education for staff of higher education institutions, for example in the fields of human resources, staff development and career guidance

▪ Implementation of Projects

Grundtvig – Learning Partnership

Two-year process-oriented cooperation projects of organisations in the field of adult education (formal, non-formal or informal) from at least three countries taking part in the educational programme of the EU; aim: exchange of experiences, processes and methods

Leonardo da Vinci – Partnership

Two-year cooperation projects of vocational education and training institutions, companies and social partners as well as political decision-makers from at least three countries taking part in the educational programme of the EU
